HONORING LAUREN HILL

HON. LUKE MESSER

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 12, 2014

Mr. MESSER. Mr. Speaker, I rise today to honor Lauren Hill for her athletic accomplishments and continued strength in her fight against Pediatric Brain Cancer.

Last year, Lauren was diagnosed with Diffuse Intrinsic Pontine Glioma, an incurable form of Brain Cancer. The disease has made it increasingly difficult for Lauren to fulfill her dream of playing college basketball. Yet, this college freshman at Mount St. Joseph University persevered and scored four points in her college debut earlier this month to help her team defeat Hiram College. Lauren was named Heartland Collegiate Athletic Conference Women's Basketball Player of the Week for her performance.

Lauren is a remarkable young woman, not just because of her athletic ability, but for her passion and dedication to live her life to the fullest while raising awareness about Pediatric Brain Cancer. Her grace and dignity has been a source of strength for children and families facing this terrible disease. Lauren has chosen to donate all proceeds from the basketball game to The Cure Starts Now, an organization working to find a cure for Pediatric Brain Cancer. Though Lauren's story has made national headlines, she has remained the same humble and tenacious young woman whose story has inspired our nation.

During the game against Hiram, Lauren said "I've never felt so good in my entire life. Let's not call it my last game. This is my first collegiate game." This positive attitude should serve as a reminder about what we can accomplish even against the most insurmountable odds.

I ask the entire 6th Congressional District to join me in honoring this outstanding young woman for the way she has lived her life and the courage with which she has bravely fought this disease.

MARGIE SEMLER

HON. BILL PASCRELL, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Wednesday, November 12, 2014

Mr. PASCRELL. Mr. Speaker, I rise today to recognize Margie Semler's leadership and dedication to the community of Passaic and the citizens of New Jersey. To honor her years of commitment, her friends, family, and colleagues joined together in October to celebrate her amazing career.

Margie Semler, daughter of Max and Riva Orlin, a life-long resident of Passaic, New Jersey, was born on June 22, 1923. In 1941, she moved to Passaic with her husband Mac and for the next eleven years began her career in government, where she took a part-time job at a junkyard run by the city's public works department.

While raising and tending to her two young children along with her fun loving, good natured husband Mac, she decided to run for a seat on the Passaic Board of Education. For the next 6 years while on the Board of Education she began her illustrious career as a public servant in which she earned the respect of the residents in the City of Passaic.

Margie decided to further her career and passion for serving the people of Passaic. For the next sixteen years, she was able to serve the residents while on the Passaic City Council. Her passion to being a public servant drove her ambitions when she was elected as the Mayor of the City of Passaic in 1993. She became the first and only female mayor to serve for eight years during her term from 1993–2001.

In 2005, Margie was inducted into the New Jersey Elected Officials Hall of Fame. She has been and remains to be a vital asset to the City of Passaic. Margie is an active participant in various public and civic organizations. She has a great love for animals and an even greater affection for the city in which she has called her home for nearly her entire life.

Margie continues to serve on the Board of Directors of the Passaic Head Start and remains an avid supporter of the families and children in the City of Passaic. As a result of her tireless dedication and commitment to the people of Passaic, the staff, policy council, and the Board of Directors of the Passaic Head Start have renamed their building to the Margie Semler Education Center in her honor.

Margie is married to the late Mac Semler and have two children, Lorrie and Marc.

The job of a United States Congressman involves much that is rewarding, yet nothing compares to recognizing and commemorating the services of individuals like Ms. Semler.

Mr. Speaker, I ask that you join our colleagues, Ms. Semler's family, friends, and all those whose lives she has touched, and me, in recognizing Margie Semler for her dedication to her family and her nation.
